- Fifth: materials I will use for my project.

# SOCIAL ISSUE IN COLOMBIA.

---

- My social issue are fights or violence on the stadium.
- This social Issue is created in Colombia because many of the people can't accept the differences of the others.
- This cause the people fight for solving them differences.
- My social issue is specifically between the fans of the two teams of Bogota, Santa Fe and Millonarios.
- I will represent the social issue but not the solution for it.

# REFERENCES.

---

## REFERENCE I, PICTURE.

## REFERENCE I, WHY.

- Artist: Gabriel Orozco.
- Name of the art piece: *Pelota ponchada*.
- I use this one as a reference because it talks about soccer and uses elements of soccer.
- I also use it because Gabriel Orozco uses object intervention and I will use this technique on my project.

# REFERENCES.

---

## REFERENCE 2, PICTURE.

## REFERENCE 2, WHY.

- Artist: Banksy.
- Name of the art piece: *Alguien para sacar la basura*.
- I use this reference because it use stencil that is another technique that I will use.
- Also because Banksy makes a critic to the society on he's art pieces.

# MY WORK.

---

## 2D ART PIECE.

- The technique will be a stencil.
- Will be a stencil about to guy fighting with the different shirts of the two teams.
- The location will be just outside the soccer field, but on the grass.
- I will use the grass as background because it is a symbol for soccer.

## 3D ART PIECE.

- The technique will be object intervention.
- Will be an object intervention of two soccer balls painted with the different team colors.
- After this I will nail this with knives and other objects that the fans use to cause conflict and fight.

# MEASUREMENTS.

---

## ART PIECE 2D.

- It will be a stencil that have the two guy on the real size of a real men.

## ART PIECE 3D.

- It will be a two real size soccer balls.
- And it will occupy a little more space, because it will have the knives and all that stuff that make it bigger.
